

Instructions

1. Remove your replacement OmniVersa from the packaging and set aside, along with the conformance certificate and any included cables.
2. Set the battery installation instructions on top of your new OmniVersa. The battery will need to be connected before it can hold a charge.
3. Remove leadwires and power cables from your returning OmniVersa

4. Set the returning OmniVersa in the packaging as shown.
5. Ensure honeycomb piece (C) is folded over so that the top of the OmniVersa sits level within the box

<p>6. Fold the side pieces (E) over and close the box with packing tape.</p>	
<p>7. Remove the return shipping label from the clear plastic Packing List pouch and affix it over the old label</p>	
<p>8. Use one of these three options to schedule a prepaid FedEx pickup:</p> <ol style="list-style-type: none"> call FedEx Ground to a schedule pickup at (800) 463-3339. Schedule your pickup online at FedEx.com. Drop them off at a local FedEx pickup location.
